Dear Linda,

This letter is to thank you for your help in making our home "Feng Shui Friendly". It's amazing how Feng Shui really does work! The information and ideas and directions you gave us have truly helped; & effortlessly! The two areas of our life that really needed a shift (and noticeably so) since we moved unto our new house 2 1/2 years ago, have dramatically improved since our consultation with you!

We thank you so much for your guidance & knowledge about Feng Shui - It's such an exciting process to make our lives richer! Sincerely,
Nina
